

8:40 Meeting - Thursday, 15 November 1973

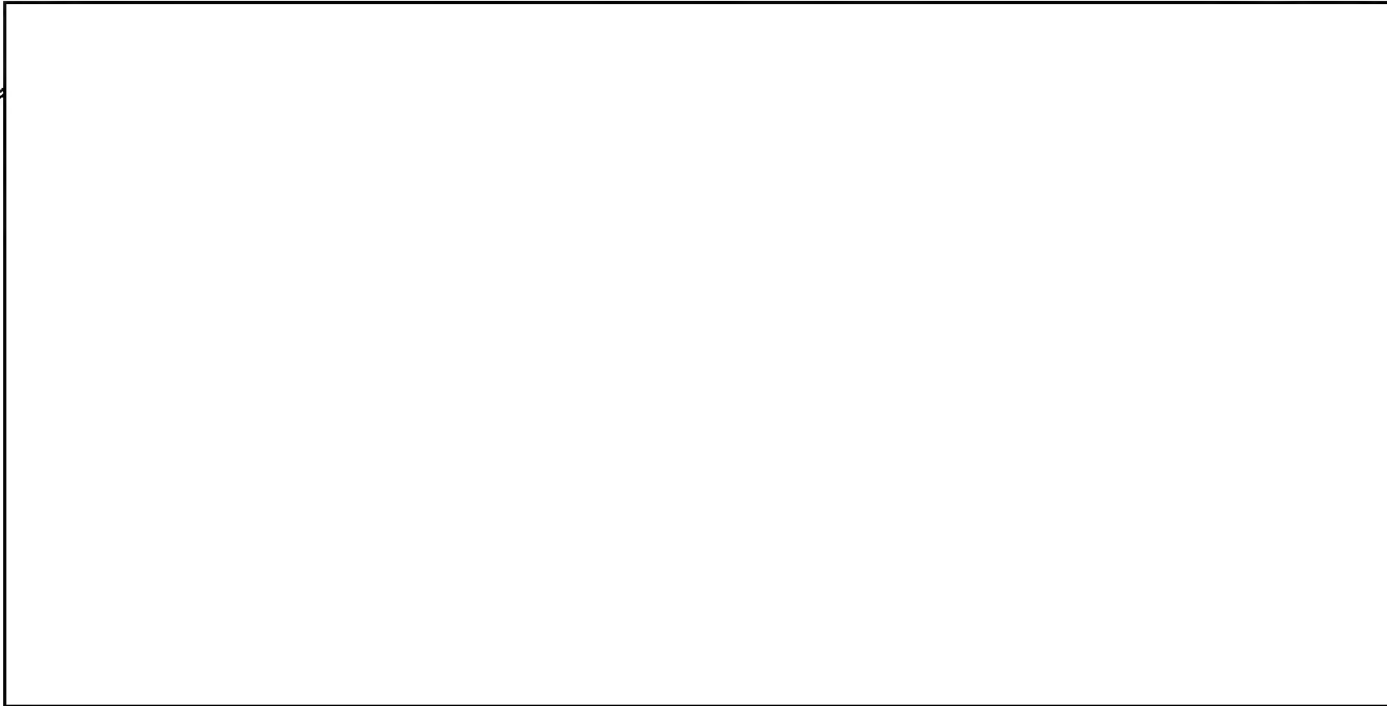

✓ 1. Great Interest - Summer Intern Program: Dr. Chester Crocker, Chairman of the Master's Program in Foreign Studies at Georgetown, called to report that so many (14 of 40 in the Program) had signed up for interviews for the Summer Intern Program that we should make a group presentation. This will be held on 26 November. [] the DDI coordinator for the Summer Intern Programs will assist M [] Agency Coordinator, in conducting the ^{detailed} interviews.

2. Minority Students for Intern Program: Throughfriends in the State Department, [] our Coordinator for Cooperative Programs has arranged to meet with State's EEO Officer on Friday, 16 November. They will discuss ways to increase the number of minority students in our Summer Intern Program.

4. White House Referrals: We have now received from Ben Evans three groups of resumes which were referred to the Agency for review by the White House. There were six resumes in the first group, which we have completed; ten in the second group; and four in the third group.
